NOTICE BOARD

The image shows a row of six notice board compartments mounted on a yellow wall. Each compartment has a black frame and a patterned background. The first compartment contains two notices: one with a header and several paragraphs, and another titled "NOTICE FOR HALL TICKETS COLLECTION" with a list of names and dates. The second compartment contains six smaller notices arranged in two rows of three. The third compartment contains three notices, each with a table of data. The fourth compartment contains four notices, each with a table of data. The fifth and sixth compartments are empty.

NOTICE BOARD

NOTICE BOARD

The notice board is a rectangular unit with a red interior and a glass front. It is mounted on a light-colored wall. The glass reflects the surrounding environment, including palm trees and a building. The board contains several documents, including a large table at the top right and a smaller document below it. The table has multiple columns and rows, with some text visible but mostly illegible due to the reflection and distance. The smaller document below it appears to be a form or a list of items, also with some illegible text. The board is secured with small metal fasteners at the corners and along the bottom edge.
